His No.28/P dated 6-7-1903, forwarding Secretary's No.17688/L.B.(P) 841 dated the 16th June 1903.

----- & ----

With reference to the above, has the honor to state that, out of the 20 warders sanctioned in different Govt. Proceedings, only 16 warders were entertained as necessity arose; and all, but 6 sanctioned in Govt. Pro: No.919-22 of 29-1-1901, were dis-pensed with at different times before the begining of February last. As the cost of the establishment entertained under Govt. Pro. 4401-3/L.B.(P)200 of 20-9-1902, was debited to Plague funds before the passing of the Govt. Pro. No.10018-20/L.B.(P)470 of 15-12-1902 until it was lately corrected by the Comptroller to the Government in his

his cash accounts, that establishment was also shown by oversight in the statement forwarded with this office No.701 of 24/25 - - 1903. A list showing the number of warders sanctioned, and the number entertained under different Govt. Proceedings, is hereto appended for kind perusal and information

The watchers referred to, in the Secretary's docket, being dispensed with on 3-5-1902, and since then not being re-entertained even in the last recrudescence, they were omitted in the list.

A statement, showing the establishment of the City Plague Department, as it stood on the 1st of June 1903, is here-with submitted, as required by the Secretary to the Government, in his above docket.
